

Gin

Tanqueray 65,-

Very fresh and smooth on the nose with slight hints of juniper and citrus coming through. A good hit of liquorice is present on the palate, with a slight spice that creates a long tingle.

Tanqueray No. 10 75,-

Secret recipe but there is some distinct tasting notes of citrus, grape and gentle pepper. Classic Tanqueray is made with 4 botanicals, this one is made with ten secret botanicals

Hendricks 60,-

Cucumber and rose leaves makes a unique flavour. Very fresh and mild spicy profile.

Monkey 47 80,-

Schwarzwald dry gin is very unusual with large aromatic and flowery notes from citrus, cranberry, juniper and many more

Gin Mare 80,-

Spanish gin with the best from the mediterranean kitchen, the gin has both rosemary, thyme, olive and basil. A perfect match with the 1724 tonic.

Citadelle Reserve 80,-

French gin made with 23 different botanicals, the only gin to be matured by the Solera method. This method is typically used for rum, but it works well to make this gin more round and sweet.

Bruni Collins 80,-

Very sweet, complex and citrusy gin, much like italian limonicella. Very easy to drink.

Chase Elegant Crisp Apple 60,-

This gin is made from apple cider and not the typical grains, which gives the gin a very fresh taste. You can also find elderflower and coriander in this gin.

Ferdinand's Saar Dry Gin 60,-

Most quality gin can be enjoyed neat, in this case we would actually recommend it. This gin is so soft and round, and infused with Riesling wine - so it's very drinkable both neat and as a GT.

Hernö Juniper Cask 65,-

Swedish gin aged in a Juniper Cask, the main botanical in every gin is juniper, but this is still the first gin to be aged in a juniper cask. Very rare gin because they only have one cask at 39,25 liter

Le Tribute 85,-

Very fruity gin made with kumquat, grape, lemongrass, mandarin and orange. A wonderful gin from the talented guys at MG desilleries.

Tonic

Sweppes Tonic 15,-

Our standart tonic water, not that many characteristics but fine as an allround tonic.

Peter Spanton no. 5 Lemongrass 35,-

Very citrussy tonic water with a good amount of kinin and some ginger notes.

Fever Tree 35,-

Made with kinin from the fever tree and 8 botanical oils, probably one os the best tonics.

Fever Tree Mediterranean 35,-

Half as much kinin as regular Fever Tree and a more citrussy and herbal profile.

Fentiman's Tonic Water 40,-

Very powerfull and aromatic tonic, with strong bitter tasting notes and lime acid.

Le Tribute tonic 40,-

Has a very dry and citrussy taste, especially grape zest and some sweet cardamom notes.

Doctor Polodori 45,-

Very herbal and floral taste. This tonic has a very dry body and notes of thyme, basil and flower.

1724 45,-

The kinin used for this tonic is picked at the Inka Trail in 1724 meters altitude. Soft and sweet.

Fox GT's

Fox GT's er vores bud på nogle gode kombinationer, men du er mere end velkommen til, at lave din egen. Spørg endelig barpersonalet til råds omkring vores forskellige gin og tonic.s. For den bedste smagsoplevelse kan man med fordel bestille en dobbelt, spørg betjening for pris.

Fox Classic GT

95,-

Made with Tanqueray No.10 and Fentimans tonic, very powerful notes of all the typical GT ingredients like juniper, citrus, kinin and liquorice. Dressed with juniper seeds.

When life gives you lemons

95,-

You would be stupid not to make a GT. In this case we mix Monkey 47 with Spanton Lemongrass. Both is bursting with citrusy flavours and of course we dress this with a slice of lemon.

Dry and Bitter German

95,-

Made with Monkey 47 from the dark Schwarzwald forest and mixed with the bitter Fever Tree. We dress this GT with pepper for even more spice. This is for the real GT lovers.

Apple Garden

100,-

Made with the Crisp Apple gin and Mediterranean tonic, very fresh, fruity and light flavour. Great for the summer evenings. Dressed with apple slices.

The Softy

100,-

Ferdinand Saar is probably one of the softest gins, we mix it with the Mediterranean tonic, wich is also very mild and soft - a great GT for the ladies. Dressed with a slice of lime.

Pink Panther

100,-

The sweetness from the Citadelle gin plays well with the citrus in the Fentiman's Tonic. We don't like to be blasphemous, but we give this gin a hint of Grenadine and a slice of grape.

Gin and Stormy

100,-

Disclaimer: this is not a GT, but it's still damn good. Chase Apple gin mixed with ginger beer, lime, brown sugar and served over crushed ice. Fresh, crips and sweet.

Good Old Cucumber

105,-

Hendricks gin mixed with Polidori Cucumber tonic, and dressed with cucumber. This is our sneaky way, to get som greens in you kids.

The Spanish Inquisition

105,-

This is actually not our combination, the tonic 1724 was made to be parred with Gin Mare. Gin Mare is a very light, herbal and soft gin wich requires a soft tonic. Dressed with rosemary twigs.

Green is Gold

105,-

We have mixed Gin Mare and the Polidor tonic, both is very herbal and aromatic. We dress this tonic with mint, cucumber and rosemary - for a lovely full palate.

“Champagnebrus”

105,-

We have mixed Bruni Collins with the 1724 tonic and dressed it with lime peel and limejuice, the taste is very similar to the icecream “champagnebrus” - see if you can taste the similarity.

Elderflower Swirl

105,-

Made with Hendricks gin and 1724 tonic and topped with a hint of elderflower sirup and lime. Great combination of the fresh cucumber and rose in the Hendricks and sweet notes in the 1724. And we all know, that everybody loves elderflowers.

Le Tribute

110,-

The Tribute is of course made with Le Tribute Gin, Le tribute Tonic and served in a Le Tribute glass. This GT is dressed with a slice of orange.

The Heart Warmer

110,-

This is for those with a bit of a sweet tooth - Hernö Juniper mixed with Le Tribute tonic. Both have some sweet notes Hernö from the cask and Le Tribute from cardamom. Dressed with a cinnamon stick.
